1

The search process.

Planning and research

- We define the project scope and create detailed position profiles.
- We research client competitor information, industry resources, confidential referrals, sophisticated electronic systems and our global network.

2

Candidate contact

- We contact potential candidates directly and confidentially.
- First, we represent you professionally, and outline the opportunity.
- Next, we carefully examine the candidate's qualifications and characteristics against position profiles.
- Where a strong mutual candidate-client bond exists, we continue.

3

Presentation of candidates

- Only the outstanding candidates are presented for consideration by you.
- We assist in the scheduling and monitoring of the interview process.

4

The decision and the offer

- You alone make the ultimate decision, but we offer experience, insight and counsel to help facilitate communications on salary terms, benefits and relocation issues.
- After acceptance, we also help the candidate with resignation and counter-offers.

“We deliver candidates who will contribute to your corporate goals and dramatically impact your organisation.”
